## Introduction & Catalog Info

Welcome to Vesta's 2019 Drapery Hardware Catalog. We're excited to introduce some new collections and product enhancements. We continually work with our manufacturers to find unique drapery hardware that's innovative and functional. Our staff is always here and ready to assist with product questions, estimating, ordering and shipping. It's been our pleasure to collaborate with the design community for the last 30+ years. Vesta is proud to be an American Society of Interior Designers (ASID) National Industry Partner and supports the Society's belief that design impacts lives. We're pleased to join a community of designers, manufacturers, educators, and students to promote the value of interior design and interior designers, and look forward to supporting the advancement of the profession in the evolving global marketplace.

Collections are typically shown in their entirety on two contiguous pages so you won't have to flip through numerous pages to find compatible items. If a collection is available in more than one finish, then we try to place a photographic sample of each available finish somewhere on the pages associated with that collection. All collections are alphabetically distributed throughout the catalog pages for quick, easy reference. The table of contents chart on the right lists the page locations for each collection, product availability and whether tubing or track diameter is over or under one inch. Color-coded accents are also used in the chart and on each page to visually identify the primary materials featured in the collection you're viewing (aluminum, brass, resin and so on). We thank you for your interest in Vesta's drapery hardware products and assistance is just a phone call away.

## BLACKSMITH COLLECTION

Experience the raw beauty of hand-forged iron hardware. Vesta discovered a talented local artisan skilled in the Old World art of blacksmithing. Each piece is meticulously hand-forged and tempered by fire in three rustic finishes. Unique to this collection is a solid 1" diameter hammered rod.

### AVAILABILITY:

special order 3-4 weeks, no returns

### PRIMARY MATERIALS:

■ wrought iron

### DIAMETER & BRACKET REQUIREMENTS:

1"D: bracket required every 6-7 feet

### SHIPPING & ADDITIONAL NOTES:

Due to the nature of hand-forging slight variances in dimensional characteristics is to be expected. The solid hammered rod is heavy. Brackets MUST BE stud mounted. Improper installation may cause injury. The curtain rings in this collection are not hand-forged.

### AVAILABLE FINISHES:

BL = black

B = bronze

NA = natural (iron)

Hardware dimensions describe the physical size of an item - not the track size it's compatible with.

# CRYSTAL MAGIC COLLECTION

Vesta's Crystal Magic Collection exudes the kind of high elegance that inspires awe. These finials represent the opulent eye-catching sparkle of high-leaded French crystal. All finials are precision hand-cut and available in a variety of rich colors and six base finishes. Designed as newel post toppers, they may also be used as drapery finials for 2 1/4" diameter poles (Highland Timber Collection, pg. 32-35 & Hunley Collection, pg. 36-39)

**AVAILABILITY:**  
special order 3-4 weeks, no returns

**PRIMARY MATERIALS:**  
■ crystal, brass

**DIAMETER & BRACKET REQUIREMENTS:**  
2 1/4"D: Highland Timber (pg. 32-35) & Hunley (pg. 36-39)

**SHIPPING & ADDITIONAL NOTES:**  
Extra care must be taken when using as drapery finials due to the weight of the finials. Please be certain that the finials are firmly affixed to the rod you select in order to avoid personal injury and to protect your investment

**AVAILABLE BASE FINISHES:**  
**AB** = antique brass  
**BB** = brushed brass  
**BN** = brushed nickel  
**OB** = old black  
**PB** = polished brass

## GEOLUX COLLECTION

Vesta's GeoLux Collection features precisely machined, beautiful components from stainless steel and aluminum in popular finishes to provide a modern touch of elegance. A variety of bracket designs are available, creating a unique look and mounting flexibility.

### AVAILABILITY:

special order 3-4 weeks, no returns

### PRIMARY MATERIALS:

aluminum, stainless steel

### DIAMETER & BRACKET REQUIREMENTS:

- ▲ ¾"D: bracket required every 3-5 feet
- ▼ 1½"D: bracket required every 4-6 feet

### SHIPPING & ADDITIONAL NOTES:

Splicing when applicable can significantly reduce freight charges. We can help you make the best-informed decision when it's time to ship your order. Aluminum components in B, G, S and BL are suitable for outdoor use with the purchase of the Outdoor Mounting Plate (#904001).

### AVAILABLE FINISHES:

- B** = bronze
- G** = gold
- S** = silver
- BL** = black
- SS** = stainless steel

\*illustration of Geo bracket

## COMPONENT SPOTLIGHT

The illustration above represents this collection's Geo bracket. The wall plate (1) extends a threaded piece through the face plate (2) which then attaches to the bracket base (3). The notched stem (4) of the bracket slides into the bracket base and is held in place by a set screw. Tubing is held firmly in place through the use of a set screw as well. This bracket can be used in a ceiling installation as long as you don't cut the stem to create a custom projection (thus losing the notched area).

## HELENA COLLECTION

Vesta's Helena Collection features the strength of steel in four popular finishes. Bold and elegant designs are offered to solve various design challenges. All items are in-stock for quick shipping and available at an attractive price point.

### AVAILABILITY:

in-stock, typically ships within 24-48 hours

### PRIMARY MATERIALS:

■ steel

### DIAMETER & BRACKET REQUIREMENTS:

2"D: bracket required every 6-8 feet

### SHIPPING & ADDITIONAL NOTES:

Due to changes in the shipping industry, rods at 96" are billed at the 90lb. ground rate. The collection's rod splice can be used to achieve longer spans. In some applications the center bracket will conceal the splice point.

### AVAILABLE FINISHES:

**AB** = antique brass  
**BN** = brushed nickel  
**ORB** = oil-rubbed bronze  
**PC** = polished chrome

## MEDITERRANEAN COLLECTION

Experience the attractiveness and versatility of Vesta's Mediterranean Collection featuring five appealing finishes and an assortment of hand-crafted iron accessories suitable for most design schemes. All hardware items are in-stock and ready for quick shipping.

### AVAILABILITY:

in-stock, typically ships within 24-48 hours

### PRIMARY MATERIALS:

■ wrought iron, steel

### DIAMETER & BRACKET REQUIREMENTS:

¾"D: bracket required every 4-5 feet

### SHIPPING & ADDITIONAL NOTES:

Due to changes in the shipping industry, rods at 96" are billed at the 90lb. ground rate. The collection's rod splice can be used to achieve longer spans. In most applications the center bracket will conceal the splice point.

### AVAILABLE FINISHES:

**AB** = antique brass

**EP** = english pewter

**IG** = ivory gold

**OB** = old black

**RT** = rust

## MISTRAL COLLECTION

Vesta's Mistral Collection features petite finial designs all produced to the highest standards. The hardware in this product grouping is ideally suited for contemporary light-weight window treatments. Six popular finishes are available and in-stock for quick shipping.

**AVAILABILITY:**

*in-stock, typically ships within 24-48 hours*

**PRIMARY MATERIALS:**

■ brass

**DIAMETER & BRACKET REQUIREMENTS:**

$\frac{3}{8}$ "D: bracket required every 36-42 inches

**SHIPPING & ADDITIONAL NOTES:**

The maximum rod length in this collection is 96". If shipped at that length it will be billed at the 90lb. ground rate. Due to this collection's small diameter splicing is not recommended.

**AVAILABLE FINISHES:**

**AB** = antique brass

**BB** = brushed brass

**BN** = brushed nickel

**PB** = polished brass

**PC** = polished chrome

**PN** = polished nickel

## SAMPLE SETS

## MOTOPIA COLLECTION

Vesta's Motopia Collection features precision extruded decorative aluminum tracks powered by a belt driven wire-free motor. The silent system operates with a 5-channel (RF) remote control, and can hold a charge for up to one year.

### AVAILABILITY:

special order 3-4 weeks, no returns

### PRIMARY MATERIALS:

■ aluminum, brass

### DIAMETER & BRACKET REQUIREMENTS:

1½"D: bracket required every 5-7 feet

### SHIPPING & ADDITIONAL NOTES:

**Tampering with the motor for any reason immediately voids the manufacturer warranty.** Vesta will not be responsible for damage to your motor if your draperies touch, and therefore drag across the floor (puddling) during operation. **No returns are permitted on this highly customized product.**

### AVAILABLE FINISHES:

**BL** = black

**BN** = brushed nickel

**PC** = polished chrome

# MOTOPIA COLLECTION

**Availability:** special order 3-4 weeks, no returns | **Available Finishes:** BL, BN, PC | **Materials:** aluminum, brass

- A. Belt** - The Kevlar reinforced transport belt provides long life and silent operation.
- B. Motor Housing Assembly** - This wear-resistant housing is equipped with high quality ball bearings.
- C. Wire-Free Motor** - This wire-free motor requires charging 1x per year with an estimated 2 cycles per day (99lbs). It operates with very little noise and can be manually operated in case of power failure.
- D. Remote** - (RF) 5-channel remote control.
- E. Return Pulley Assembly** - The special plastic of the return pulley's bearing ensures smooth operation.
- F. Finial** - Select a compatible finial from one of our other collections using the chart at right.
- G. Overlap/Underlap** - These special master carriers create complete closure of your window treatment.

**SPECIAL ORDER**  
3-4 weeks, no returns

Hardware dimensions describe the physical size of an item - not the track size it's compatible with.

## NOVI COLLECTION

Vesta's Novi Collection features precision extruded square aluminum tracks with meticulously machined bracket and finial designs. Several mounting possibilities make it a versatile collection suitable for any ultra-modern design scheme.

### AVAILABILITY:

special order 3-4 weeks, no returns

### PRIMARY MATERIALS:

■ aluminum

### DIAMETER & BRACKET REQUIREMENTS:

▲ ¾"W: bracket required every 4-5 feet

▼ 1"W: bracket required every 5-6 feet

### SHIPPING & ADDITIONAL NOTES:

Splicing when applicable can significantly reduce freight charges. The created seam will be visible. We can help you make the best-informed decision when it's time to ship your order.

### AVAILABLE FINISHES:

**BL** = black

**BN** = brushed nickel

**PC** = polished chrome

**SA** = satin aluminum

**WH** = white

## TECHNO TRACK COLLECTION

Vesta's Techno Track Collection is hand-traversing and designed with extensive one-way draws in mind. The collection's Techno brackets support the aluminum extruded track from above, allowing the gliders unfettered access along the entire bottom rail of track. Most items are stocked and available for quick shipping.

### AVAILABILITY:

most items in-stock, typically ships within 24-48 hour  
(special order finials from European Elegance and Geolux collections take 3 - 4 weeks, no returns)

### PRIMARY MATERIALS:

■ aluminum, brass

### DIAMETER & BRACKET REQUIREMENTS:

▲ ¾"D: bracket required every 3-5 feet

▼ 1½"D: bracket required every 5-7 feet

### SHIPPING & ADDITIONAL NOTES:

Splicing when applicable can significantly reduce freight charges. The created seam will be visible. We can help you make the best-informed decision when it's time to ship your order.

### AVAILABLE FINISHES:

**ABM** = antique brass matte  
**BB** = brushed brass  
**BL** = black  
**BN** = brushed nickel  
**PB** = polished brass  
**PC** = polished chrome

### WOOD FOIL FINISHES

**BEECH / OAK / PLUM**

\*available in the 1½"D track only

\*due to the nature of these materials and the finishing process, a variance in finish is unavoidable.
